YOUR TRAVEL ITINERARY...

Day 03:

After an early breakfast leave for Sigiriya to commence a climb of the 5th century AD rock fortress of Sigiriya.

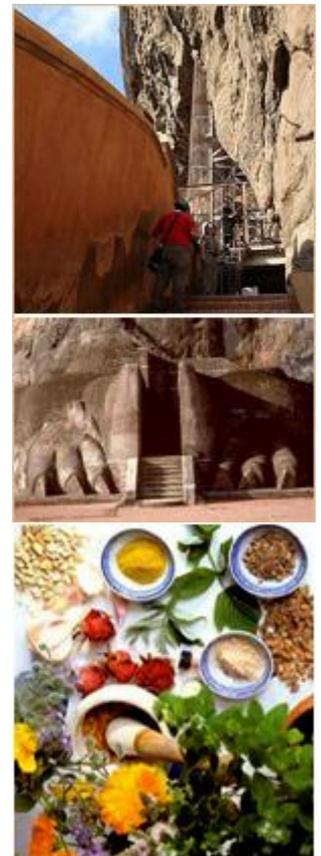

The Sigiriya fortress built by king Kassapa, has been designated a World Heritage Site by UNESCO. The lion shaped rock rises 200 meters from the scrub jungle below, and is ringed by moat and ramparts and beautified in its day by landscaped gardens, the best preserved gardens in Asia, of the first millennium.

A sheltered pocket in the rock holds the world famous frescoes of the heavenly maidens of Sigiriya. View the frescoes, and the mirror wall, a polished surface, where ancient travelers recorded their impressions in prose and verse, an early form of graffiti inspired by the beauties of Sigiriya. Steps guarded by the remains of a pair of giant carved lion's paws lead to the ruins of the palace complex at the summit. The view from here is magnificent.

Afterwards leave for Kandy. En route visit a spice garden in Matale.

The spices produced in Sri Lanka from ancient times, mainly cinnamon, was one of the prized commodities that led to fierce competition by many western powers to colonize the island. Spend a relaxing hour getting to know the various aromatic spices and preparations produced for export as well as domestic use Continue to Kandy, and check-in at your hotel.
